

PRAYER REQUESTS

DONALD WALKER, Beata Taylor's father, passed away last Sunday morning. We have no information about the funeral. Keep this family in your prayers.

REMEMBER Joyce Tye for the loss of her brother, **JOHN GRAHAM**. The funeral was in Texas. Keep Joyce in your prayers as well as the whole Tye family as they are having some real difficulties at this time.

ELAINE WARREN is being treated for an ulcer but is still waiting on results from some other tests. Pray for healing.

ORMA BARROWS' SISTER MAUREEN has an infection that has caused lasting brain damage and she has not been responsive since Wednesday. Hospice has been called in and she will be taken off all medications except morphine. Maureen had made it very clear in the past that she does not desire to be kept alive on life support. Please pray for Orma and her sister to be relieved of their struggles.

SARAH McKAMEY'S tests came back showing no cancer. Thank you for your prayers.

TYLER SPANN is recovering very well from his appendectomy. Pray for continued healing.

ARLENE KELLUM had back surgery in Florida. She came through it very well and it will take a couple of days to see if she will need another surgery. Pray for no more surgeries, a safe trip home and for a good recovery.

LISA, a friend of the Haynes', has stage 2 breast cancer. Keep her in your prayers.

Continue to pray for RICK SLAGLE. He is at Patricia Neal Rehab Center and is improving daily. Continue to pray for Debbie Slagle, that she will be healed of her brain tumor.

REMEMBER RACHEL PYLE as she continues Chemo treatments.

Remember CAMERON LOWRY and he would love to have Christmas cards from you. His address is in the pocket directory. But, just in case you don't have it, it is **N.E.C.X., P.O. Box 5000, Mountain City, TN 37683.**
